## About NBCOT

The National Board for Certification in Occupational Therapy, Inc. (NBCOT®) is the national certification body for occupational therapy professionals in the United States.

NBCOT strives to serve the public interest in its diversity by advancing just, equitable, and inclusive client care and professional practice through evidence-based certification practices and the validation of knowledge essential for effective and safe practice in occupational therapy. NBCOT's vision is certified occupational therapy professionals providing just, equitable, inclusive, and effective evidence-based services across all areas of practice worldwide.

Currently, 50 states, Guam, Puerto Rico, and the District of Columbia require NBCOT initial certification for occupational therapy state regulation (e.g., licensing).

NBCOT certification programs are accredited by the National Commission for Certifying Agencies (NCCA) under their *Standards for the Accreditation of Certification Programs*. ## About This Handbook

This handbook provides exam candidates with detailed information and steps to successfully complete and submit a certification exam application. NBCOT recognizes the responsibility exam candidates assume when completing their exam application.

## Purpose of the Exams

The primary purpose of the NBCOT certification exams is to protect the public interest by certifying only those candidates who have the necessary knowledge of occupational therapy to practice. The Occupational Therapist Registered (OTR®) and Certified Occupational Therapy Assistant (COTA®) exams are constructed to measure entry-level competence of candidates who have met eligibility requirements for certification of the respective credential.

# Exam Development

The OTR and COTA exams are constructed based on the results of practice analyses. The studies identify the domains, tasks, and knowledge required for occupational therapy practice relative to the respective credential. The ultimate goal of a practice analysis is to ensure that there is a representative linkage of exam content to current practice. The periodic performance of practice analyses assists NBCOT with evaluating the validity of the test specifications that guide content distribution of the credentialing exams.

# Exam Administration

A standard NBCOT certification examination is a four-hour, computer-based exam taken in person at a test center. The test center's standard testing environment provides a quiet, limited/reduced distraction test space with continual monitoring throughout the exam. For details on the test center environment, and exam features and functionality in the computer-based testing environment view the [What to Expect at the Test Center](#) video and the [online exam tutorial\(s\)](#).

Pearson VUE is NBCOT's exclusive test administration partner. The OTR and COTA certification exams will be administered at Pearson VUE's highly secure network of fully owned and operated Pearson Professional Centers (PPCs).

Pearson VUE is a global leader in computer-based certification and licensure testing and has extensive experience supporting the health care credentialing sector, having delivered exams on behalf of over 120 health care certification programs worldwide across a range of different professions. # NBCOT Candidate/Certificant Code of Conduct

## Preamble

The National Board for Certification in Occupational Therapy, Inc. ("NBCOT," formerly known as "AOTCB") is a professional organization that supports and promotes occupational therapy practitioner certification. This Candidate/Certificant Code of Conduct enables NBCOT to define and clarify the standards of personal and professional conduct required for eligibility for both initial and continued certification, i.e., OCCUPATIONAL THERAPIST REGISTERED OTR® (OTR) henceforth OTR, and CERTIFIED OCCUPATIONAL THERAPY ASSISTANT COTA® (COTA) henceforth COTA. Where the term "certificant" is used, the term "applicant or candidate" is included in its scope.

It is vital that NBCOT certifiants conduct their work in a professional manner to earn and maintain the confidence and respect of recipients of occupational therapy, colleagues, employers, students, and the public.

As certified professionals in the field of occupational therapy, NBCOT certificants will at all times act with integrity; adhere to high standards for personal and professional conduct; accept responsibility for their actions, both personally and professionally; continually seek to enhance their professional capabilities; practice in a competent, fair, honest, equitable, and just manner; abide by all federal, state, and local laws and regulations; and encourage others to act in a professional manner consistent with the practice standards and responsibilities set forth below.

## Principle 1

Certificants shall provide accurate, truthful, and timely representations to NBCOT, including, but not limited to:

- The submission of information on the exam application, certification renewal applications, or the renewal audit form;
- Answers to character review questions and, once certified, the disclosure of any criminal, legal, or other disciplinary matters within 60 days of any such matter;
- The submission of information requested by NBCOT for alleged violations of NBCOT's policies, requirements, and standards. Certificants shall cooperate with NBCOT concerning investigations and requests for relevant information; and
- The submission of information regarding her/his/their credential(s), professional license(s), and/or education.

## Principle 2

Certificants shall abide by all exam-related security policies including, but not limited to, those involving copying or removing exam content and accessing prohibited devices or materials during their exam.

## Principle 3

Certificants shall be accurate, truthful, and complete in any and all communications, direct or indirect, with any client, employer, regulatory agency, or other parties as they relate to their professional work, education, professional credentials, research and contributions to the field of occupational therapy.

## Principle 4

Certificants shall comply with state and/or federal laws, regulations, and statutes governing the practice of occupational therapy.

## Principle 5

Certificants shall not have pled guilty to or been found guilty of a serious crime.

## Principle 6

Certificants shall not engage in behavior or conduct, lawful or otherwise that causes them to be, or reasonably perceived to be, a threat or potential threat to the health, well-being, or safety of recipients or potential recipients of occupational therapy services.

# Principle 7

Certificants shall not engage in the practice of occupational therapy while one's ability to practice is impaired due to chemical (i.e., legal and/or illegal) drug or alcohol abuse.

# Principle 8

Certificants shall not electronically post personal health information or anything, including photos, that may reveal a patient's/client's identity or personal or therapeutic relationship, without the patient's/client's written consent. (All statements, regardless of intent, about a patient/client can potentially contain sufficient information for a member of a community to recognize the patient/client thus, violating the state and/or federal law (i.e. Health Insurance Portability and Accountability Act (HIPAA)).

# Principle 9

Certificants shall not misuse NBCOT's intellectual property, certification marks, logos, or other copyrighted materials, including, but not limited to:

- Discussing or disclosing NBCOT examination content;

After three years from the date of graduation, a candidate must meet current eligibility requirements to sit for the exam.*

## Eligibility Appeal Process

If a candidate is determined ineligible to take the certification exam, the candidate has the right to appeal that decision in writing to the NBCOT Board of Directors. Within 21 days from the date of the ineligibility notification, the candidate may submit a letter of appeal that **MUST** outline the grounds for the appeal, including reason(s) why the application should be recognized and accepted by NBCOT. All letters should be sent via traceable mail (i.e., certified, UPS, Fed Ex) to:

**NBCOT, Inc. Attn.: President and Chief Executive Officer  
One Bank Street, Suite 300  
Gaithersburg, MD 20878**

In the case of an ineligibility due to a violation of the *NBCOT Code of Conduct*, please refer to the [Procedures for the Enforcement of the Candidate/Certificant Code of Conduct](#).

# Application Process

## Submitting the Application

Candidates apply for the certification exam online at [nbcot.org](http://nbcot.org).

The exam application must be completed by the candidate. Applications completed and/or submitted by a third party (e.g., **family members, recruiters, program directors, fieldwork coordinators, professors**) are not valid and the candidate will be deemed ineligible for three (3) months with all application fees forfeited.

Once submitted, the exam application is valid for 90 days.

All components of the application must be fulfilled and approved (e.g., academic verification documentation, background check, testing accommodations if applicable) for an application to be processed and an Authorization to Test letter (ATT) generated ([refer to page 18](#)). ATT letters are not processed and cannot be reissued on expired applications. Once an application is expired, candidates must submit a new exam application and pay all applicable fees.

## Character Review

Exam applicants are required to answer the following questions as part of the NBCOT character review:

- a. Have you ever pled guilty to a felony charge or been found guilty of a felony?
  - b. Do you currently have a felony charge or charges against you?
- a. Have you ever surrendered any professional license, registration, or certification or had one denied, revoked, suspended, or subject to probationary conditions by a regulatory authority or certification board, including NBCOT?
  - b. Do you currently have a professional license, registration, or certification under review for possible disciplinary action?
- a. Have you ever been found by any court, administrative, or disciplinary proceeding to have committed negligence, malpractice, recklessness, or willful or intentional misconduct which resulted in harm to another?
  - b. Do you currently have a charge(s) of negligence, malpractice, recklessness, or willful or intentional misconduct that resulted in harm to another against you?
- a. Have you ever been suspended and/or expelled from a college or university?
  - b. Are you currently under active investigation that could lead to being suspended and/or expelled from a college or university?

The NBCOT character review also consists of a background check. It is important to note that failure to answer the character questions honestly is a violation of Principle 1 of the [NBCOT Code of Conduct](#).

Applicants who answer “Yes” to any of the character questions on the exam application **MUST** submit the following required documentation in their exam application:

- A detailed, written explanation regarding the incident(s). Please describe your involvement and behavior in the incident(s), including how your actions were discovered.
- If you have been on parole or probation at any point within the last seven (7) years, you must include documentation confirming your compliance with or completion of all terms and conditions imposed by the court. This can be a letter from your probation officer, or other official court documentation.
- Please note that a Yes answer does not automatically deny your application, nor do certain behaviors automatically result in specific determinations. Each case is reviewed individually for a determination.

NBCOT may request additional information as needed or when warranted by the results of the background check.

All information **MUST** be submitted to and reviewed by NBCOT before the exam application may be approved. After NBCOT has completed its review, the individual is notified in writing regarding whether they will be eligible to sit for the NBCOT exam, provided that all other eligibility requirements are met.

If an exam candidate answered “Yes” to a character question and was cleared for the exam, or received a favorable Early Determination Review prior to applying, the candidate **MUST** answer the appropriate character question(s) on the exam application affirmatively when applying or reapplying for the exam. If the affirmative response is in reference to the same issue that NBCOT previously reviewed, and no further incidents have occurred, the candidate **MUST** send written confirmation of this to [professional.conduct@nbcot.org](mailto:professional.conduct@nbcot.org) after reapplying. The candidate will not need to resubmit any previously submitted documentation.

If there have been additional incidents or further action resulting in an additional affirmative answer to one or more of the character questions, the candidate **MUST** answer the appropriate character question(s) affirmatively and submit information regarding the new incident to NBCOT for review. If the candidate fails to inform NBCOT, disciplinary action may result. Notifications should be sent to [professional.conduct@nbcot.org](mailto:professional.conduct@nbcot.org).

If an exam candidate received a favorable review from the Early Determination Review process, the candidate will be required to undergo another background check as part of their exam application.

If a candidate answers “Yes” to a character question in error, the answer can be changed provided that the application is still in “New” status. If the application has moved beyond the “New” status, the candidate should send an email noting the error to [professional.conduct@nbcot.org](mailto:professional.conduct@nbcot.org).

## Testing Accommodations

In compliance with the Americans with Disabilities Act (ADA), NBCOT provides reasonable and appropriate testing accommodations (TAs) for exam candidates with disabilities who are otherwise eligible to take the OTR or COTA certification examination.

For details on requesting testing accommodations and to view a list of personal items that do not require a request for TAs, refer to the [Testing Accommodations](#) section of the NBCOT website. Direct specific questions to [accommodations@nbcot.org](mailto:accommodations@nbcot.org).

Please note, a request for testing accommodations may increase the amount of time it takes to process an exam application.

# Academic Verification Documentation

NBCOT accepts either an official, final college or university transcript or a Degree Verification Form for the purpose of determining eligibility for testing.

NBCOT requires an official, final college or university transcript for OTR or COTA certification to be granted.

## Transcript Requirements

Candidates **MUST** arrange to submit to NBCOT an official final college or university transcript that includes all information listed below.

Candidates may request the official final transcript after an NBCOT account is created or after submitting the exam application and payment. Transcripts sent before an NBCOT account has been created will be destroyed after 30 days from the date of receipt.

Internationally educated candidates approved through the Occupational Therapist Eligibility Determination (OTED) process are not required to submit another transcript.

The official final transcript **MUST** include ALL of the following:

- Candidate's full name
- Candidate's social security number OR student identification number
- Name of the institution awarding the occupational therapy degree
- Listing of all courses completed and required for the ACOTE-accredited entry-level degree
- Identification of the major: either "occupational therapy" or "occupational therapy assistant"
- Title of the entry-level degree awarded in occupational therapy
- The date on which the degree was awarded/conferred. The degree must have been awarded. Transcripts with a graduation date that is after the transcript issue date will not be accepted.
- The registrar's official seal, stamp, or signature

**If the transcript does not contain all of the above information, NBCOT will notify the candidate via email that the application cannot be processed until the information is received.**

The following will not be accepted: a transcript marked "unofficial copy," a photocopy, or a letter from the school.

The application process is not complete until this documentation is on file with NBCOT. Candidates may log in to their MyNBCOT account to check on whether NBCOT has received a final transcript.

**Transcripts are reviewed in the order they are received. This process can take up to 10 business days and may take longer during busy times.**

## SENDING YOUR OFFICIAL FINAL TRANSCRIPT

Your official final transcript must be sent one of the following ways:

- **A secure document transcript service or clearinghouse.** NBCOT will only accept transcripts electronically that are transferred using a secure and verifiable transcript service or clearinghouse. The documents should be sent to [transcripts@nbcot.org](mailto:transcripts@nbcot.org). NBCOT does **NOT** accept transcripts emailed directly from your institution's registrar's office.
- **Directly from your institution's registrar's office.** A mailed transcript from the registrar's office must be placed in an envelope that either has a return address for the registrar's office OR is marked with a registrar's stamp, the registrar's initials, or "Transcripts Enclosed" on the back flap.

Transcripts should be mailed via USPS only to:

# Testing Using a Degree Verification Form

## DEGREE VERIFICATION POLICY

Students enrolled in an ACOTE-accredited occupational therapy education program and scheduled to graduate with an associate, baccalaureate, entry-level master's, or entry-level doctoral degree may request that their university or college registrar submit a Degree Verification Form (DVF), within six (6) months of their anticipated graduation date. Students must have successfully completed all degree and graduation requirements, including occupational therapy education, Level I and Level II Fieldwork, and, for OTD students, the doctoral capstone experience and project. **The form may only be used within the same calendar year as the student's anticipated graduation date.**

Each academic program is responsible for determining if the use of the DVF is appropriate for their students. Please refer to the full [Degree Verification Policy](#).

Candidates who meet all requirements may log in to their MyNBCOT account and submit a DVF electronically for approval by their program director. The program director will then access pending DVF requests in their NBCOT Program Director Portal. After the program director reviews and approves a student's DVF, the program director will provide either a physical or electronic copy of the DVF to the university/college registrar. The registrar or registrar-authorized individual will complete the DVF and submit it to NBCOT.

DVF candidates will not have their pass/fail status released until NBCOT has received and approved an official final transcript that includes all information outlined in the [Transcript Requirements](#) section.

## Reporting Services

NBCOT offers the following reporting services to candidates applying for the certification exam:

- Score Transfer
- Eligibility Confirmation Notice (State and Employer)

The candidate is responsible for contacting the occupational therapy state regulatory board or employer to determine which service(s) is required. For example, some states may require a Score Transfer for every exam attempt. Candidates may log in to their MyNBCOT online exam application to add services at any time, under the "Services" section of the application.

## SCORE TRANSFER

Candidates may request that NBCOT send an electronic *Score Transfer* to a state regulatory board. A state regulatory board will **NOT** automatically receive a score unless a Score Transfer service has been ordered. *All states accept scores except Hawaii.*

Candidates may request one free Score Transfer with their exam application. There is a \$35 USD fee for each additional Score Transfer request, and for any Score Transfer request made after the exam application is submitted. **A Score Transfer to a state may not be removed or substituted for a Score Transfer to another state.**

Score Transfers can be requested when applying for the exam, after the exam application has been submitted, or after the exam has been taken. If a candidate orders the service prior to sitting for the exam, the score will be sent electronically within 2-3 business days of the exam being scored. If the candidate orders the service after taking the exam, the score will be sent electronically within 2-3 business days of receipt of the request. Candidates can check on the status of their Score Transfer request in their MyNBCOT account. Click on **Application** and expand the **Services** section from the Student Dashboard. **Ordered items cannot be canceled or refunded after the request has been submitted.**

If a candidate requests a Score Transfer and the SSN provided to NBCOT does not match the SSN provided to the state regulatory board, the candidate's results will not be accessible by the state. In this case, candidates must order a new Score Transfer and pay all applicable fees.

**! ● Completion of the NBCOT Certification Exam Application is not the same as applying for state licensure. Sending a score transfer to a state regulatory board does not initiate the process to obtain a license or permit to work in that state. Certification by NBCOT is independent, different, and separate from any state or jurisdiction's law/licensure. Almost all jurisdictions, including the District of Columbia and Puerto Rico, have some form of regulation of occupational therapists and occupational therapy assistants. Before a candidate begins practicing in any state or comparable jurisdiction, it is essential that all requirements of that jurisdiction are met. To practice without a license or permit is against the law.**

## ELIGIBILITY CONFIRMATION NOTICE

This service confirms a candidate has applied for and been deemed eligible to take the NBCOT certification exam. Candidates who want an Eligibility Confirmation Notice sent to a state regulatory board, employer, or themselves can select this service when applying for the exam. After the exam application has been approved, notices requested to state regulatory boards are sent via secure electronic transfer within 2-3 business days. Notices requested to companies or candidates via email are also sent within 2-3 business days. Those requested by mail are sent via USPS within 2 weeks.

Candidates may request one free confirmation notice (state or employer) with the exam application. There is a \$35 USD fee for each additional notice requested, and for any confirmation notice requests made after the exam application is submitted. Candidates may check the status of their confirmation notice in their MyNBCOT account. **Ordered items cannot be canceled or refunded after the request has been submitted.**

The notice includes:

1. Confirmation that the candidate's exam application and fees have been processed
2. Confirmation that NBCOT has received and accepted the candidate's official final transcript or Degree Verification Form (DVF)
3. Confirmation that the candidate is approved to schedule their test date with Pearson VUE
4. The candidate's exam history: a listing of the candidate's exam dates from 1997-present

**! ● The following states do NOT accept Eligibility Confirmation Notices: Alabama, Arizona, Colorado, Hawaii, Iowa, Kansas, Louisiana, Michigan, Minnesota, Mississippi, New Hampshire, North Carolina, South Carolina, Washington, and Wisconsin.**

# Program Preferences

Candidates may choose to share their Performance Feedback Report with their program director. This is the same report that will be posted in the candidate's MyNBCOT account after the exam score is released. The report will include the exam results and will only be sent if the candidate opts in and is unsuccessful on the exam. Candidates are not obligated to release this report.

Candidates may make this request when applying for the exam, after the exam application has been submitted through the *Exam Application Summary*, or after the exam has been taken through the *Exam Application History*. If a candidate opts in to release this report before their score is released, the report will be posted electronically to their program director's portal immediately upon score release. If a candidate makes this request after their score is released, the report will be posted electronically to their program director's portal within 1-3 business days of receipt of the request. Once the report has been posted to the program director portal, it cannot be removed.

## Fees

Payment for exam applications, and any additional services such as Score Transfers, and Eligibility Confirmation Notices must be made by credit card (Master Card, Visa, Discover, or American Express). The NBCOT exam application fee is due at the time of submission. No off-line payments are accepted. An exam application cannot be processed until the exam application fee is paid in full.

Remember, you may request one free Score Transfer **AND** one free Eligibility Confirmation Notice **ONLY** if ordered at the time your exam application is submitted. If selected, the service fees are discounted in your cart when checking out. If multiple services are ordered with your exam application, each additional service is \$35 USD. **AFTER** the exam application is submitted, Score Transfer or confirmation notice requests are \$35 USD each.

# Approved Applications

## Authorization to Test (ATT) Letter

The ATT letter authorizes candidates to schedule and take the certification exam. It will include details on how to schedule the exam directly with Pearson VUE, and how to reschedule or cancel an exam, if necessary. If a candidate is approved for testing accommodations, the ATT letter will include the words "Testing Accommodations" on the top of the letter.

After NBCOT approves a candidate's exam application, they will receive an ATT letter by email (and in their MyNBCOT account) within three (3) business days.

Note: some email providers filter NBCOT email notifications to spam/junk folders. Please check your spam/junk folder and add NBCOT to your preferred senders list.

**The ATT letter is active for 90 days.** Candidates must test during the date parameters outlined in the ATT letter.

If needed, candidates may request an ATT letter reissue by clicking the *I Need to Reissue My ATT Letter* button in the candidate's MyNBCOT account.

- A request to reissue an ATT letter for an additional 90 days of eligibility must occur **while the exam**

**application has not expired.** Please check the exam application expiration date. Click on the *My Exam App* button located on the MyNBCOT dashboard and expand the summary section to view the expiration date.

- To successfully reissue an ATT letter, the candidate must cancel any existing exam appointment(s). Once a candidate reissues an ATT letter, the prior letter is voided. The candidate may no longer test on the prior ATT letter.
- If an exam application is expired, the ATT letter can no longer be reissued; a new exam application and full application fee must be submitted.

**!** **Your application must have not expired to reissue your ATT letter.**

Reasons ATT letters are reissued include:

- A name change
- Current ATT letter has expired
- Intending to schedule exam beyond the current ATT letter expiration date
- Cancellation of exam and unable to reschedule within current ATT letter dates
- Arrival at the test center more than 15 minutes after scheduled exam start time and unable to test\*
- Arrival at the test center without the proper ID and unable to test\*
- Attempting to cancel or reschedule an exam appointment less than 48 hours prior to scheduled date\*
- Failure to appear for a scheduled exam appointment (no show)\*

**\*There is a \$115 USD fee for ATT reissue in this circumstance.**

It is the candidate's responsibility to check their email and MyNBCOT account to see whether the ATT letter has been sent to them. Candidates can view and print a copy of their current ATT letter from their MyNBCOT account.

## Scheduling the Certification Exam

After the ATT letter is received, candidates schedule their testing appointment directly with Pearson VUE. Candidates **SHOULD NOT** contact Pearson VUE until they have received the ATT letter.

**Candidates planning to receive their exam result on a specific scoring date MUST** take the exam a minimum of three days prior to the desired score release date. The scoring schedule can be accessed on the [NBCOT website](#). NBCOT aims to make exam results available on the scheduled score release date; however, there may be unforeseen circumstances when this is not possible. In these cases, scores will be posted as soon as possible.

### Scheduling an Appointment Date

Pearson VUE is NBCOT's exclusive test administration partner. Candidates can review test center locations, important information, and log in to schedule on the [NBCOT/Pearson VUE homepage](#).

Candidates can link to their personalized Pearson VUE dashboard by logging in to their MyNBCOT account and clicking the *Schedule My Appointment* button.

Exams must be scheduled a minimum of one day before the appointment. Same day appointments are not available.

**Candidates approved with testing accommodations** should follow the scheduling instructions in their ATT letter with Testing Accommodations and the Testing Accommodations Approval Notice.

## BIOMETRIC CANDIDATE NOTICE DURING SCHEDULING/ REGISTRATION

When scheduling, candidates will be presented with a biometric-enabled check-in notice. This notice will explain the collection and usage of biometric information. Please refer to “Exam Day: Questions & Answers” on [page 27](#) for more information on biometric-enabled check-in.

## NAME AND ADDRESS CONSIDERATIONS AND CHANGES

The name (first and last) provided on the exam application is the name printed on the Authorization to Test (ATT) letter.

Candidates are required to present two forms of identification during check-in at the test center. Both forms of ID **MUST** match the first and last name indicated on the ATT letter. If the first and last name on the IDs do not match the ATT letter, the candidate will not be admitted to test. In this case, a new ATT letter is required to schedule a new appointment date.

For more information about acceptable forms of ID, see “Acceptable forms of primary identification include” on [page 26](#).

The address on the ATT letter and the identification do not need to match. Please ensure the address in your MyNBCOT account is correct.

### Name Change

Name changes cannot be made at the test center.

- Candidates who have had a legal name change **MUST** notify NBCOT of their new name.
- To request a name change: Log into your MyNBCOT account and select **Name Change** in the drop-down menu under your name.

**Please read the following information as you complete the name change:**

- **If you require a name change and have been issued an ATT letter**, please do not schedule an exam appointment. If you have scheduled an exam appointment, you must cancel the appointment with Pearson VUE. **NBCOT cannot complete a name change when you have a scheduled exam appointment.**
- Candidates retaking the exam and who have had a legal name change since the last exam administration should complete an online name change request **prior** to reapplying for the exam.
- **Remember, if you request a name change and receive a new ATT letter, your required IDs must match your new name for security check-in at the test center.**
- **NBCOT does not charge a fee for candidate name changes.**
- NBCOT requires legal documentation to process a name change. Please upload copies of your official documents reflecting the name change and select *Add to Cart*. A scanned copy or a picture taken with a smartphone are both acceptable.
- Accepted government-issued ID documents for name change purposes include: driver’s license, state-issued ID, military ID, passport, or signed social security card.
- The following documents are not accepted as proof of a name change: student ID, marriage certificate, or divorce decree.
- You must go to your cart and checkout to submit the name change order.
- Candidates are notified by email when the name is updated or contacted if additional documentation is required. Please allow up to three (3) business days for processing.

- Candidates can request a new ATT letter with updated name after being notified of a completed name change (if applicable).

## Address Change

A candidate can update their address online at any time by logging in to their MyNBCOT account and selecting *Edit Profile* in the drop-down menu under their name.

## REFUND POLICY

### Refund for Personal and/or Medical Emergencies

Candidates experiencing a personal or medical emergency who are unable to test when their application and eligibility are active (unexpired) should notify NBCOT at [credentialingservices@nbcot.org](mailto:credentialingservices@nbcot.org). NBCOT reserves the right to request documentation verifying the event/circumstances related to the request. These inquiries will be considered on a case-by-case basis.

### NBCOT Exam Products and Services Refund Policy

There are no refunds or exchanges for products or services except in cases of duplicate payments, over-payments, or exam application withdrawals. There is a \$40 USD processing fee for all refunds.

Any refund granted will be refunded by the same payment method and to the same party as the original transaction.

## APPLICATION WITHDRAWAL

Candidates who withdraw their exam application may receive a partial refund. Candidates **MUST** completely withdraw their exam application within three months of the Created On date of the application (review the summary section of your application for the Created On date) by submitting the request, with a brief explanation, via email to [info@nbcot.org](mailto:info@nbcot.org). Approved refunds will be processed within 30 days of NBCOT approval. Candidates who withdraw their exam application can reapply for the exam three months from the date of their withdrawal request. In the case of a sanction of ineligibility for certification, the sanction terms will prevail.

## CANCELLATION, RESCHEDULE, LATE ARRIVAL, NO SHOW POLICY

**The following applies to exam candidates who cancel, reschedule, arrive late, or do not appear for their scheduled exam.**

Candidates testing with Pearson VUE can reschedule or cancel up to 48 hours before their exam appointment date. Candidates reschedule or cancel by clicking the *Manage My Appointment* button on their MyNBCOT dashboard.

Candidates who attempt to cancel or reschedule less than 48 hours before their appointment date or who do not appear for their appointment must request a new ATT letter after their appointment date passes.

**There is a \$115 USD fee to reissue your ATT letter in these circumstances.**

If you need to cancel 48 hours or less from your exam appointment due to an emergency, please contact NBCOT at [credentialingservices@nbcot.org](mailto:credentialingservices@nbcot.org) or NBCOT customer service at 301-990-7979.

**! A request to reissue an ATT letter for an additional 90 days MUST occur while the exam application is still active (unexpired).**

Within each domain area of the exam, there are a number of associated task and knowledge statements. All items on the NBCOT exams are classified according to these domain, task, and knowledge statements. The [2022 OTR Examination Content Outline](#) and [2022 COTA Examination Content Outline](#) for the exams are available online. Candidates should refer to our website for the most up-to-date information regarding the content of the exam.

# FORMAT OF TEST ITEMS ON THE EXAMS

NBCOT exams contain the following:

- **OTR:** 180 items comprising a mix of three- and four-option single-response multiple-choice items and six-option multi-select scenario sets
- **COTA:** 190 items comprising three- and four-option single-response multiple-choice items and six-option multi-select items

## Three- and Four-Option Single-Response Multiple-Choice Items

Each single-response multiple-choice item starts with a stem or premise written in the form of a question. Either three or four possible response options are listed beneath the stem. From the options listed, there is only **ONE** correct response; the other options are incorrect responses.

Candidates need to decide the **ONE** best response based on the information presented in the stem. Highlight and strike out features are available on the computer to assist the candidate during their decision-making process.

Candidates will use the computer mouse to click the button to the left of **ONE** response option to indicate their selection. Candidates can change selected responses by clicking the button to the left of a different response option. Candidates receive credit for selecting the correct response option. Points are not deducted for selecting incorrect response options.

### Example: Three-option multiple-choice question (first response is the correct answer)

During which task would a stereognosis deficit secondary to a CVA be **MOST EVIDENT**?

- A. Getting coins from a pocket
- B. Pouring water into a cup
- C. Putting on a pair of socks

### Example: Four-option multiple-choice question (first response is the correct answer)

During which task would a stereognosis deficit secondary to a CVA be **MOST EVIDENT**?

- A. Getting coins from a pocket
- B. Pouring water into a cup
- C. Putting on a pair of socks
- D. Opening a pill bottle

## Six-Option Multi-Select Items (COTA Exam Only)

Each six-option multi-select item includes a question stem followed by six response options. Of the six response options provided, there are **THREE** correct responses; the other three options are incorrect responses. Highlight and strike out features are available on the computer to assist the candidate during their decision-making process. Candidates receive credit for each correct response option selected. Points are not deducted for selecting incorrect response options.

Of the six response options provided the candidate must select **THREE** responses.

### Example: Six-Option Multi-Select Item

A client has right homonymous hemianopsia secondary to a CVA several months ago. Deficits in the client's right visual field interfere with the client's ability to participate in IADL. One of the client's goals is to improve visual perceptual skills to be able to resume a hobby of cooking meals using recipes from a favorite cookbook. Which adaptive strategies should the COTA teach the client to use in order to achieve this goal?

Select the three **BEST** responses. (*First, second, and fourth options are correct.*)

- Place boundary markers on the right side of the printed recipe.
- Mark off each step of the recipe instructions as it is completed.
- Use a fluorescent pen to highlight key words in the recipe instructions.
- Place a ruler under each line of print that is being read on the recipe.
- Scan the page to search for the first letter of each word in the recipe.
- Direct eye gaze towards the left margin of the recipe instruction page.

### **Multi-Select Scenario Sets** (OTR Exam Only)

Each multi-select scenario set consists of an opening scene that contains general background information about a practice-related situation, followed by four related items.

Each item is followed by six response options, three of which are correct and three of which are incorrect. Candidates must select the three best choices.

For all exam items, candidates receive credit for selecting the correct response options. There are no deductions for selecting incorrect response options.

We offer access to sample scenario sets so candidates can familiarize themselves with the structure of the item type. These sample items do not replicate the candidate experience on exam day.

Please view the [exam tutorial](#) for more information.

[Sample Scenario Set 2](#)

## **HIGHLIGHT, STRIKE OUT, AND OTHER FEATURES**

During the exam, candidates will be able to highlight text in the passage area that they feel is important to refer back to as they progress through the exam. A strike out feature is also available to help candidates visually eliminate possible options from consideration. Candidates have the option to modify the color scheme by changing the background and text colors of the exam at any time. Candidates can also adjust the screen brightness and change the size of the content by zooming in or out on the screen. For details on these features, as well as additional functionality of the exam in the computer-based testing environment, view the [online exam tutorial\(s\)](#).

## COVID-19 UPDATE

Face masks are not required at the test center; however, individual test centers may be required to comply with any local or government social distancing requirements, which are subject to change.

Candidates who choose to wear a face mask during testing will be asked to lower their mask as part of the check-in/identity verification process.

If you are sick/have been sick within the past two weeks, have recently traveled, or have recently been exposed to someone who tested positive for COVID-19, we strongly urge that you stay home to help ensure the safety of test center employees and other test-takers, and recommend that you reschedule your exam.

## ARE BIOMETRICS COLLECTED AT THE TESTING CENTER?

Pearson VUE will take a digital candidate photo and collect a digital signature to match with the primary ID. They also utilize palm-vein biometric screening, which is a non-invasive and highly accurate measure of identity. You will place your palm on the scanner, which uses a near-infrared light source (similar to a TV remote) to scan the veins in your palm. The information is converted to a digital template and used to prevent anyone from testing under your identity. There is video surveillance in all candidate-accessible areas of the testing center.

## WHAT ITEMS ARE PROHIBITED WHILE TAKING THE EXAM?

Prohibited items include ANY electronic device (cell phones, personal digital assistants [PDAs], or any type of camera device), any type of watch, any jewelry outside of wedding and engagement rings, weapons, or any hard copy documentation. These items are not allowed in any area of the testing facility, including, but not limited to, the lobby, bathroom, test administration check-in and/or waiting rooms, or the test administration room. Purses, backpacks, totes, and other bags must remain in your locker and may not be accessed at any time during the exam appointment.

Test center staff conducts inspections of **all** eyeglasses, jewelry, and other accessories. Candidates may be asked to remove these items for inspection. Questionable items should not be brought into the test center. Questionable items brought into the test center may need to be placed in your locker. To avoid delays at check-in and upon return from breaks, candidates may wish to take the necessary steps to leave such items at home or in their car.

If you are found accessing a cell phone, using an electronic device, in possession of any type of camera device, or referencing exam-related material during any part of the test administration process, test center staff will require you to step out of the test administration area. The staff member will inform you that you have violated test center rules and a detailed report will be filed with NBCOT. You will be dismissed and the exam terminated. Any type of camera device will be confiscated by Pearson VUE. Your future exam eligibility status will be determined by NBCOT.

## CAN I USE EARPLUGS?

Earplugs are available for all candidates testing at Pearson Professional Centers.

If a candidate wants to bring/use their own custom pair of earplugs, formal testing accommodations approval is required. Earplugs must be stand-alone earplugs, with no wires, and are subject to visual inspection at the test center.

Please refer to the [NBCOT Testing Accommodations Handbook](#) for further information.

## WHAT CLOTHING AM I ALLOWED/NOT ALLOWED TO BRING INTO THE TESTING ROOM?

- A light sweater or jacket may be worn in the testing room and may be taken on or off as needed. Heavier jackets or coats are not allowed to be worn in the testing room.
- Once in the testing room, you cannot remove your shoes.
- Head coverings of any kind are not allowed in the testing room unless it is being worn for religious purposes (such as hats, turbans, scarves, and yarmulkes). If the item is worn for religious purposes, it will be visually inspected before you are admitted into the testing room and **MUST** remain in full view at all times. If you need to reposition or take off the head covering or religious item, you will be asked to step out of the testing room and into the waiting area. All types of hair accessories, ties, and bow ties are subject to inspection, and you may be prohibited from wearing them in the testing room.
- Jewelry outside of wedding and engagement rings is prohibited in the testing room.

## DO I HAVE TO REQUEST A TESTING ACCOMMODATION TO BRING A MEDICAL DEVICE SUCH AS A HEARING AID OR COCHLEAR IMPLANT, INSULIN PUMP, OR DIABETES MONITORING EQUIPMENT INTO THE TESTING ROOM?

A list of pre-approved personal items that do not require a request for testing accommodations is available [here](#). Candidates are not permitted to plug any device into the computer workstation. If the medical device includes an accompanying external remote-control device, the remote-control device may not be taken into the testing room without prior approval. If the device makes any kind of noise, you must request and be approved for testing accommodations in advance. If the medical device includes an accompanying external remote-control device and there is a need to take the external remote-control device into the testing room, including a cell phone, candidates must apply and be approved for a testing accommodation to do so. Please review the [Testing Accommodations Handbook](#) and contact [accommodations@nbcot.org](mailto:accommodations@nbcot.org) to review diabetic monitoring requirements, including the use of a cell phone for diabetic monitoring.

## HOW MUCH TIME WILL I HAVE FOR THE EXAM?

The OTR and COTA exams are 4 hours long (this is your exam time). Your appointment time will be longer than your exam time to allow time for check-in, exam tutorials, surveys, check-out, and other administrative procedures (approximately 4 hours and 45 minutes). Please note, accepting the terms of the Acknowledgment section prior to launching the exam is mandatory. If the terms are not accepted within the seven minute time limit, the exam will automatically close and the appointment will be forfeited. Candidates must then contact NBCOT at [credentialingservices@nbcot.org](mailto:credentialingservices@nbcot.org) to reissue their ATT letter for a fee.

## WILL THERE BE OTHER CANDIDATES TESTING AT MY TEST CENTER?

There will likely be other candidates taking different exams at your test center during your exam appointment. The layout of the testing cubicles ensures you have ample workspace and privacy from other test takers.

## CAN I TAKE A BREAK DURING THE EXAM?

Yes, you may take breaks during the exam. However, the exam clock will continue to run while you are on the break. You will be required to complete all check-in procedures to re-enter the testing room. This may require waiting for other test takers to complete check-in procedures. Please note that candidates may not

exit the test center building while taking a break. Exiting the test center during your exam could result in you being dismissed and the exam terminated. Exam fees could be forfeited and your future exam eligibility status will be determined by NBCOT.

## **IS COMPUTER KNOWLEDGE NECESSARY?**

No. The optional tutorial(s) that accompany the exams walk you through the process of selecting answers and progressing through the exam on the computer. Tutorial time does not count toward your allotted exam time. You can repeat the tutorial(s) if you wish. You can also view the exam tutorial(s) online in advance by clicking [here](#).

## **CAN I TAKE NOTES DURING THE EXAM?**

Note taking is not allowed during the tutorial, acknowledgement, or at any time before test time starts to count down. You can request to use a wet marker note board from the test center staff during your exam. If you require additional materials, you will need to wait for the test center staff to clean the originally-issued note board before reusing it. Writing on your hand or anywhere on your body is strictly prohibited and a violation of test center rules and the [NBCOT Candidate/Certificant Code of Conduct](#).

## **CAN I EAT/DRINK IN THE TESTING ROOM?**

Food and beverages, including water, are not permitted in the testing room. Food and beverages can be stored in lockers and consumed in the test center waiting area.

## **DOES PEARSON VUE HAVE A POLICY REGARDING CONDUCT IN THE TESTING CENTER?**

Candidate conduct is addressed in [Pearson VUE's Candidate Rules Agreement](#). Any candidate who does not follow test center regulations may be dismissed from the test center and the exam terminated. Exam fees could be forfeited and your future exam eligibility status will be determined by NBCOT. In addition, an NBCOT sanction may be imposed due to a violation of the NBCOT Code of Conduct.

## **WHAT CAN I DO IF THE COMPUTER MALFUNCTIONS WHILE I AM TAKING THE EXAM?**

You **MUST** alert the test center staff immediately. Staff will make every effort to remedy the situation as soon as possible. The time spent to remedy the problem will not count as part of your exam time. Due to the nature of the exam delivery system, all previously entered exam data is saved.

If the problem cannot be remedied within 30 minutes, you have the right to reschedule the exam for another day within your eligibility period.

You must contact NBCOT at [credentialingservices@nbcot.org](mailto:credentialingservices@nbcot.org) or 301-990-7979 (ask for credentialing services) for rescheduling approval and instructions.

## **WHAT HAPPENS IF I EXPERIENCE AN ADMINISTRATIVE OR TECHNICAL ISSUE DURING MY EXAM?**

Examples of administrative or technical issues include: computer screen freezing, power failure, physical disruption within the testing center, or the exam or approved testing accommodation is not available at the scheduled time.

NBCOT cannot address any administrative or technical complaints with Pearson VUE if you did not first file a complaint at the test center. Administrative or technical complaints submitted after your pass/fail status is posted will not be investigated.

The following procedures must be followed for your complaint to be reviewed.

### **Administrative or Technical Complaints Checklist:**

1.  I, the examination candidate, **MUST** file a complaint immediately with the test center staff or before leaving the test center. Test center staff will file a case report.
2.  I **MUST** request a confirmation of the complaint.
3.  I **MUST** contact NBCOT by email at [credentialingservices@nbcot.org](mailto:credentialingservices@nbcot.org) within 24 hours after the incident occurred to describe the incident in detail and provide the case report number, if applicable.
4.  NBCOT will confirm initial receipt of the complaint.

**! ALL exam scores are held when an exam complaint is submitted. Exam results will NOT be posted or released until the complaint has been fully investigated and resolved.**

**! If you wait until AFTER your pass/fail status has been posted to submit your exam administrative or technical complaint, your exam complaint will NOT be acknowledged.**

Please note that all exam scores are held until the exam complaint has been fully investigated and resolved. As a result, the posting of pass/fail status to the NBCOT website and the release of exam results to a state board(s) may be delayed.

NBCOT will respond within 21 business days of receipt of the complaint. After you receive a decision from NBCOT regarding the administrative or technical complaint, you have the right to appeal. You can only appeal AFTER (1) you have already submitted a complaint, (2) NBCOT has reviewed the complaint, and (3) a decision has been rendered.

Appeals must be sent in writing via traceable mail and must be received by NBCOT within 21 days of the candidate's receipt of NBCOT's complaint response. The candidate will be notified of the status of the appeal investigation within 30 days of receipt of the appeal.

## **After the Exam: Questions & Answers**

### **WHAT IS MY OBLIGATION TO MAINTAIN CONFIDENTIALITY AFTER I TAKE THE EXAM?**

The NBCOT certification exams and the items contained therein are protected by federal copyright law. No part of an exam or NBCOT study materials may be copied, reproduced, or shared in any manner, in part or whole, by any means whatsoever, including memorization, verbal, written, and/or electronic transmission, which includes, but is not limited to, Facebook, Twitter, Instagram, cell phone, study tool sharing sites, blogs, and discussion forums. Posting exam or study tool questions to social media or other networking sites constitutes a test security and copyright violation as noted in Principles 2 and 9 of the [NBCOT Candidate/Certificant Code of Conduct](#). Violations of the *NBCOT Code of Conduct* are investigated to determine appropriate disciplinary action.

## HOW ARE THE EXAMS SCORED?

For information on how the certification exams are scored, please review the *Foundations of the NBCOT Certification Exams*, which can be accessed at [www.nbcot.org/foundations](http://www.nbcot.org/foundations).

## HOW WILL I GET MY EXAM RESULT?

After the administration of the exam, your exam will be scored by NBCOT. Scores are released according to the [NBCOT Exam Scoring Calendar](#). You can view your results through your MyNBCOT account after the exam has been scored.

**Candidates with a passing score:** You will be notified via email when your exam result has been posted online. You will receive a separate email with information about your certification benefits and how to access/download your digital certificate, badge, and wallet card verifying Occupational Therapist Registered (OTR) or Certified Occupational Therapy Assistant (COTA) certification within three weeks of receiving your score. If you do not receive an email within this time frame, please send an email to [info@nbcot.org](mailto:info@nbcot.org) that includes your full name and certification number.

**Candidates with a failing score:** You will be notified via email when the exam result has been posted online. Your feedback report will include the overall score along with domain-level performance information and an explanation for interpreting your overall and domain-level performance. The information on the domain areas is provided for diagnostic purposes only. The feedback report also includes answers to frequently asked questions about the feedback report and preparing to retake the exam. Refer to the “Retaking the Exam” section on [page 32](#) of this handbook for additional information about reapplying to take the exam.

If you are a U.S.-educated candidate who takes the exam within one year of graduating, NBCOT will report aggregate pass/fail information (without names) to the U.S. occupational therapy education program from which you graduated. NBCOT only provides program directors with a list of names of candidates who pass the OTR or COTA certification exams.

**! Upon receipt of the feedback report, candidates who hold a state-issued limited or temporary permit(s) or license(s) that allows them to practice are advised to immediately contact the regulatory agency in that jurisdiction to determine whether their limited or temporary permit/license remains valid. Since the laws and regulations of each jurisdiction vary, it is essential that the regulatory agency is contacted directly.**

**! Score information will not be released to anyone via telephone, fax, or email. Certification numbers can be accessed through your MyNBCOT account.**

**! A candidate’s name and score will not be released to any third party without the candidate’s prior written consent unless required by law.**

### Exam Appeal Procedures Checklist:

  - ▷ **Fourth through sixth attempt:** 60 days from date of last exam administration
  - ▷ **Seventh attempt or higher:** six months from date of last exam administration
- Candidates can apply 30 days before their next eligible exam date. The date you can reapply is listed on your MyNBCOT dashboard.
- Candidates must submit a new exam application in order to retest. Candidates log in to their existing MyNBCOT account and follow the steps to reapply. **DO NOT** create a new account. A \$35 USD fee will be assessed for duplicate accounts.

- The exam application, Score Transfer requests, Eligibility Confirmation notices, and any other services are subject to all applicable fees.
- Candidates may request one free Score Transfer **AND** one free Eligibility Confirmation Notice **ONLY** if ordered at the time the exam application is submitted. These requests do not transfer from one application to the next. If multiple services are ordered with the exam application, each additional service is subject to a \$35 USD fee. **AFTER** the exam application is submitted, Score Transfer or confirmation notice requests are \$35 USD each.
- If candidates have a name change since the last exam administration, they **MUST** complete a **Name Change Request** through their MyNBCOT account. This should be done before reapplying for the exam. See the “Exam Day: Questions & Answers” on [page 26](#) of this handbook for acceptable forms of ID to be admitted to the test center.
- Candidates do not need to submit another transcript, unless requested by NBCOT.
- Candidates who previously tested with testing accommodations should refer to the [Testing Accommodations Handbook](#) for details on how to reapply with TA.
- Candidates who previously answered “Yes” to a character question and were cleared for the exam **MUST** answer the appropriate character question(s) on the exam application affirmatively each time a new application is submitted. If the affirmative response is in reference to the same issue that NBCOT previously reviewed, and no further incidents have occurred, the candidate **MUST** send written confirmation of this to [professional.conduct@nbcot.org](mailto:professional.conduct@nbcot.org) after reapplying. The candidate will not need to resubmit any previously submitted documentation.
- If there have been additional incidents or further action resulting in an additional affirmative answer to one or more of the character questions, the candidate **MUST** answer the appropriate character question(s) affirmatively and submit information regarding the new incident to NBCOT for review. If the candidate fails to inform NBCOT, disciplinary action may result. Notifications should be sent to [professional.conduct@nbcot.org](mailto:professional.conduct@nbcot.org).
- After eligibility is approved, candidates will receive a new ATT letter with a new 90-day testing eligibility period. The eligibility will begin no sooner than the applicable waiting period from your previous test date.
- After receiving the ATT letter, candidates should schedule their exam directly with Pearson VUE as instructed in the ATT letter. (See “Scheduling the Certification Exam” on [page 19](#).)

## NBCOT Certification Renewal: Keep Your Credential Active

Candidates who take and pass the certification exam will have an initial renewal date that is four years from the year they passed the exam. After their first renewal, they will enter a three-year renewal cycle for all subsequent renewals. This creates an equal opportunity for new certificants to earn professional development.

The certification renewal season occurs between January and March annually, regardless of the month the initial certification was received. For example, students who pass the exam in 2024 will have their first renewal take place during January through March 2028. After their first renewal, they will enter the three-year renewal cycle and be scheduled to renew between January and March 2031.

The requirements for certification renewal are:

- Accrual of required units: Certificants must accrue 36 units in the time between their initial certification date and the date that they are due to renew their certification
- Abidance by the [NBCOT Practice Standards/Code of Conduct](#)
- A completed certification renewal application
- The appropriate renewal application fee

Certification renewal is required to maintain active certification. Fulfilling the certification renewal requirements entitles a certificant to continue using the OTR or COTA credential.

## Why Renew?

When an OTR or COTA renews their national certification, it shows that they place value in professional development and evidence-based practice. One benefit of certification renewal is the continued use of the NBCOT credential. To identify yourself to the public using the OTR or COTA certification marks, your certification status must be active and in good standing. The OTR and COTA credentials are representative of practitioners who satisfy national standards in education, experience, and professional conduct, and demonstrate that they possess the knowledge and skills to be accountable for the delivery of professional services.

## NBCOT Navigator®

Another benefit of certification is continual access to the latest evidence-based research through the NBCOT Navigator suite. The NBCOT Navigator is a set of interactive tools that enable you to demonstrate knowledge of contemporary practice and sharpen your skills using interactive case simulations, games, and mini practice quizzes. By renewing your certification you will also receive 24/7 access to ProQuest® and RefWorks® in order to stay on top of current developments and trends in occupational therapy research. For more information on the Navigator suite, visit [nbcot.org/navigator](http://nbcot.org/navigator).

## How to Renew Certification

There are two ways to renew certification:

1. Log in to your MyNBCOT account online.
2. Complete and mail in a paper application.

Prior to a certificant's renewal due date, NBCOT sends a courtesy reminder notification and renewal instructions. For this reason, it is essential that certificants keep all of their contact information updated with NBCOT. You can update your information at any time by logging in to your MyNBCOT account. Select *Edit Profile* in the drop down menu under your name.

You will receive an email with information on how to access/download your digital certificate, badge, and wallet card within three weeks after your renewal application is processed. For complete details on the renewal process, visit the [renewal section](#) of the website.
